## **Community Christian School Financial Policies 2025-2026**

### **Part-Time Student Enrollment/Participation**

1. The CCS tuition and fee schedule is published each spring. The financial contract year for all budget plans begins July 1st and ends June 30th. CCS will offer the listed payment plan options per student:

- Option #1 Pay by semester (First day of class in August or January) and save a month's payment.
- Option #2 Pay Monthly (1st class of each month)

2. When tuition accounts become delinquent (over thirty days past due) and the budget plan is not adhered to, CCS reserves the right to withhold a student from attending class. Continued failure to meet financial obligations promptly may result in administrative action, including dismissal and/or refusal of enrollment for subsequent semesters.

3. A \$25 late payment fee may be imposed after thirty days. CCS will be considerate of "hardships" that are brought to our attention by families in need. These requests must be initiated by those who are experiencing hardship.

4. Payments can be cash or checks payable to Community Christian School. A returned check or a denied electronic transfer fee is \$35.

5. All course tuition payments will be fully refunded for any course CCS cancels. All tuition refunds will be prorated if classes are dropped within the first two sessions.
